Area 4 Club Presidents and Satellite Chairs,

Rocky Mountain Santa's Convoy of Toys (RMSCOT) is a 501(c)(3) organization that provides "Love, Hope, Joy, and Toys" all wrapped up in a big Santa hug to children and families affected by regional disasters in Colorado and other neighboring states. RMSCOT serves all children and families regardless of religious affiliation.

RMSCOT is a volunteer organization operated by Santa, Mrs. Claus, and Elves from all over the Rocky Mountain Region. A donation to RMSCOT has an immediate and substantial impact, going directly to vetted families and referred community members that need help after a disaster. When disaster strikes, whether it is one house or an entire neighborhood, relief organizations step up to guide families as they face the decision to re-establish their lives. Our organization (RMSCOT) is working to organize a "Convoy of Toys" to bring needed living supplies, hope, joy, and the magic of Christmas back to children and families.

As an example, RMSCOT recently supported a "2nd Christmas" event for the victims of the Marshall fire located in Boulder, Colorado. RMSCOT brought "Love, Hope, Joy, and Toys" wrapped in Santa hugs to over 150 families affected. These families had, and have, much to overcome. This event helped renew some of the Christmas magic, memories and hope that were lost.

For the Rotary Area 4 Assembly on August 31st, RMSCOT would like to invite attendees to donate gift cards of any amount as a combined service project to support area families in need.

Thank you for your support of Rocky Mountain Santa's Convoy of Toys.

Sincerely,

Kam
