

God Bless America

*God Bless America,
Land that I love,*

Stand beside her and guide her

Thru the night with a light from above;

*From the mountains, to the prairies,
to the oceans white with foam,*

God Bless America, My Home, Sweet Home.

God Bless America, My Home, Sweet Home.

National Anthem

Oh, say can you see by the dawn's early light,

what so proudly we hailed at the twilight's last gleaming,

Whose broad stripes and bright stars through the perilous fight,

O'er the ramparts we watched were so gallantly streaming.

*And the rocket's red glare, the bombs bursting in air,
gave proof through the night that Our Flag was still there.*

Oh say does that Star-Spangled Banner yet wave,

O'er the land of the Free and the Home of the Brave.

Taps

Day is done, gone the sun

From the lake, from the hill,

From the sky.

All is well, safely rest.

God is nigh.

Thanks and praise for our days

'neath the sun, 'neath the stars,

'neath the sky.

As we go, this we know.

God is nigh.
