Dear Members of the Open World Delegation:

It is my pleasure to welcome this year's delegation, from the Republic of Georgia, to the 2019 Open World exchange program. Since its founding, Parker's Rotary Club has taken an active role to serve the community with integrity and advance world understanding through fellowship.

This year's focus on "Rural Tourism" highlights the Colorado communities that transform and diversify their economy with year-round activities and seasonal attractions. Each year, tourists from around the world visit the state to enjoy skiing and summer attractions, experience life on a dude ranch, or enjoy a refreshing beverage at a local winery or brewery. The men and women you will meet represent the best in the state, and it is my hope that you will learn from each other during your visit.

We encourage you to take full advantage of all that Colorado has to offer while you are here. Please accept my best wishes for a memorable and educational event.

Sincerely,

A handwritten signature in black ink, appearing to read "M.F. Bennet".
